

The Kings portion.

The foreshadow of end times is seen in the favour of the children of Israel.

The king of Babylon gave a daily ration to nourish the children of Israel for three years before they stood before the king.

Dan 1:

5 And the king appointed them a daily provision of the king's meat, and of the wine which he drank: so **nourishing them three years**, that at the end thereof they might stand before the king.

This favour rests upon the children of Israel in Christ.

Likewise those who exodus into the wilderness at Petra will be nourished for 3.5 years or 42 months before standing before King Yeshua.

Rev 12:6 And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a **thousand two hundred and threescore days**.

Rev 12:14 And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where **she is nourished** for a time, and times, and half a time, from the face of the serpent.

They are nourished for three years before standing before the King on His descent over Petra.

This is the Kings portion for the children of Israel in the end times.
