

## Fifth bowl

The prophesy of the plague of the fifth bowl occurs as delayed response to the fourth trumpet and fourth bowl.

The solar flare had prior scorched the earth and this will show what occurs to the beasts kingdom because of it.

Starting with the prophesy...

Rev 16:10 And the fifth angel poured out his vial upon **the seat of the beast**; and his kingdom was full of darkness; and they gnawed their tongues for pain,

Rev 16:11 And blasphemed the God of heaven because of their pains and their sores, and repented not of their deeds.

The Beasts kingdom which is a kingdom with technocratic power from digital technology of cloud based Artificial Intelligence, space satalites, smart cities and EV smart cars, robots, brain chips from the mark of the beast in the forehead and hand implant chips for the mark of the beast in the hand with digital currency for people to buy and sell.

The seat of the beast is the throne of the beast meaning his kingdom.

The solar flare that scorched the earth in the fourth bowl had caused whats called a Carrington Event.

The Carrington Event was the most intense geomagnetic storm in recorded history, peaking on 1–2 September 1859 during solar cycle 10. It created strong auroral displays that were reported globally and caused sparking and even fires in telegraph stations. The geomagnetic storm was most likely the result of a coronal mass ejection (CME) from the Sun colliding with Earth's magnetosphere.

This Solar flare knocks out the global electric grid systems and shuts down the satalites in orbit.

Rev 16:10 And the fifth angel poured out his vial upon the seat of the beast; and **his kingdom was full of darkness**; and they gnawed their tongues for pain,

Rev 16:11 And blasphemed the God of heaven because of their pains and their sores, and repented not of their deeds.

With the power grid going down his kingdom sits in darkness.

The power also is brought down and sores are also added to the plague by the nuclear strike on the beasts kingdom and they gnaw on their tongues as covered in the tongues gnawed prophesy.

When the solar scorches the earth it not only disables the beasts kingdoms power grid but it also causes blindness from them looking at the solar flare and causes many of his people to become blinded by the radiation looking at the sun.

In 2017, the president of the United States stared directly at the sun, squinting and pointing at it. Don't do that.

Not only does it cause blindness but it causes Radiation burns and sores all over from the emense amount of UV radiation and nuclear radiation from the nuclear bombs prior in first and fifth trumpets.

The blindness also occurs from the nuclear flash of the bomb going off at Jerusalem at the fifth trumpet.

Rev 16:10 And the fifth angel poured out his vial upon the seat of the beast; and **his kingdom was full of darkness; and they gnawed their tongues for pain,**

Rev 16:11 And **blasphemed the God of heaven because of their pains and their sores,** and repented not of their deeds.

With microchips implanted in hands and brains these electric devicess will also be effected by the Carrington Event that occurs since they have them in their hand and in their forehead.

Rev 13:16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark **in their right hand, or in their foreheads:**

Even with all this they do not repent.

Rev 16:10 And the fifth angel poured out his vial upon the seat of the beast; and his kingdom was full of darkness; and they gnawed their tongues for pain,

Rev 16:11 And blasphemed the God of heaven because of their pains and their sores, **and repented not of their deeds.**

They dont repent and they will still harden themselves to fight Christ.

Why is this done? The disabling of the beats kingdoms technology and power he is goign to try to use to make war with Christ will come to no effect as the stage is being set to strip the beast of his power and will render his kingdom powerless against the war that is about to take place.

The beasts kingdom and its power of technology is disabled ready for war.

The fifth bowl.
