

Seventh bowl

The seventh bowl plague contains many things.

When Christ descends the beasts kingdom of technology has already been disabled by the fourth bowl solar flar and the fifth bowl where their power grid goes down and by the seventh bowl the satalites begin to fall from orbit causing a great hail.

Rev 11:17 And the seventh angel poured out **his vial into the air**; and there came a great voice out of the temple of heaven, from the throne, saying, It is done.

The bowl is poured into the air and in the sky begins to fall and rain down space debri from the millions of satalites in the orbit that have already begun to start falling to earth from being disabled from the solar flar in the fourth bowl.

The satalites which they had planned to use to fight Christ with their technology rain down on thier own heads.

Rev 11:18 And there were voices, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, and so great.

The smart cities without power and satalites fall and the earth is ready for Christ to take dominion.

Rev 11:19 And the great city was divided into three parts, and **the cities of the nations fell**: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath.

Rev 11:21 And **there fell upon men a great hail out of heaven, every stone about the weight of a talent: and men blasphemed God because of the plague of the hail**; for the plague thereof was exceeding great.

They are carpeted with space debri from the satalites they put up in orbit on the beasts kingdom.

The war is ready and the time has come.

This is the seventh bowl plague of the great hail of the sataltes in orbit raining down on the beasts kingdom and their smart cities falling globally as their grid is taken down.

The seventh bowl plague of great hail are the satalites falling from orbit.
