

Tails as snakes

The prophesy of the plagues of snakes is like the staff being thrown to the ground.

The staff was thrown before pharaoh and it turned to snake.

Exodus 7:9 When Pharaoh shall speak unto you, saying, **Shew a miracle for you**: then thou shalt say unto Aaron, **Take thy rod, and cast it before Pharaoh, and it shall become a serpent.**

The plague of the snakes will come on spiritual Egypt and pharaoh.

Rev 11:8 And their dead bodies shall lie in the street of the great city, which **spiritually is called Sodom and Egypt**, where also our Lord was crucified.

And again in the wilderness snakes were cast before the people who disobeyed.

Numbers 21:6 And the **Lord sent fiery serpents among the people**, and they bit the people; and much people of Israel died.

7 Therefore the people came to Moses, and said, We have sinned, for we have spoken against the Lord, and against thee; pray unto the Lord, that he take away the serpents from us. And Moses prayed for the people.

Here is the plague of snakes being cast before them.

Rev 9: 18 By these three was the third part of men killed, by **the fire**, and by **the smoke**, and by the brimstone, which issued **out of their mouths**.

19 For their power is in **their mouth**, and in **their tails**: for **their tails were like unto serpents**, and had **heads, and with them they do hurt**.

The missiles shooting out that have long tails like snakes and a head of the snake that does damage is what this is reference too in the prophecy.

Rev 9: 18 By these three was the third part of men killed, by **the fire**, and by **the smoke**, and by the brimstone, which issued out of their mouths.

19 For their power is in **their mouth**, and in **their tails**: for **their tails were like unto serpents**, and had **heads**, and **with them they do hurt**.

This is what john saw.

Missiles shooting that have long tails like a snake and like the head of the snake it does damage. This is what is reference too in the prophecy.

John saw missiles flying doing harm thousands of years before missiles existed.
